Surani[®]

The Wood Experts...

we're
the wood
experts

Established in 1993 by Sri Bhavanlal Patel in Hyderabad, Surani Wood Craft Products emerged with a vision to lead in timber craftsmanship. Today, under the guidance of CEO Deepesh Patel, we are recognized as 'The Wood Experts', combining quality, sustainability, and innovation in every product we deliver. Our core values-Crafting Sustainable, Affordable, and Quality Wood Products-guide us in every project.

“Sustainable, stable, and stunning - from our hands to your home, discover the benchmark in wooden craftsmanship.”

our
product
range

1 Veneer Doors

Natural Elegance, Engineered Precision

Our veneered flush doors showcase exquisite natural wood veneer atop durable engineered base. Crafted to world-class standards, each piece displays sophistication and resilience. Whether for luxurious residential interiors or refined commercial spaces, Surani's veneer doors lend a seamless blend of aesthetics and longevity.

- features
- 1200+ designs
 - 100+ textures
 - Scratch-resistant
 - Low heat conduction
 - Moisture-resistant
 - Low maintenance
 - Carpenter-friendly

2 Laminated Doors

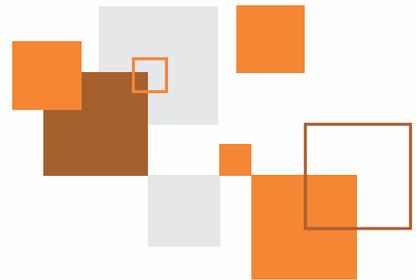

Durable Finishes. Endless Possibilities.

Our Laminated Doors offer dynamic design and high performance. Laminate finishes bring superior scratch resistance, moisture protection, and design versatility - allowing endless customization to suit both contemporary and classic aesthetics.
